COLLEGE**

BCC STAFFORD LOAN APPEAL FORM

Brookdale Community College is very concerned about the amount of money students feel they need to borrow in student loans for educational expenses while attending Brookdale. We do not want to see our students overburdened with loan debt after completing their Associates degree. Therefore, we have implemented the BCC Stafford Loan Appeal Form.

Brookdale Community College has the authority to refuse certification of any loan application or to limit the amount borrowed as allowed by Federal Regulations (CFR 682.603e).

Additional loan fund requests are approved on a case-by-case basis. Decisions may be based upon the cost of your academic program and extraordinary educational expenses that you describe below. A committee will review your request and you will notify you with the results within 2 weeks.

Please use the space below to explain the expenses you need to cover with this Federal Stafford Loan. Provide an itemized list of semester amounts and attach documentation to support this appeal.

Amount Requested _____ Term _____
